Day 2: Mombasa to Tsavo East National Park

You will be met on arrival at Mombasa airport and depart for Tsavo East National Park, arriving in time for lunch (170 km - approx 3 hours). Combined with Tsavo West, these two parks make up Kenya's largest safari park, covering an area larger than Wales. One of the most impressive features of the parks landscape is the Yatta Plateau, the largest lava flow in the world. Otherwise, the park is formed of grass and scrublands, and is an important home to large amounts of wildlife. Much of the park is closed to visitors, allowing the animals to live in their natural habitat while at the same time living in the protection of the national park. After enjoying an afternoon game drive, return to the Ashnil Aruba Lodge, where you will stay for two nights. The delightful lodge is a wonderful place to relax in between safaris - you can enjoy the swimming pool, take a nature walk or simply sit on the viewing deck and listen to birdsong. Lunch and dinner are at the Lodge.

Buffalo and giraffe are also present, as well as smaller animals such as zebra, gazelle and wterbuck, and prolific birdlife. You will get some incredible wildlife viewing and some wonderful photo opportunities. Enjoy breakfast, lunch and dinner at the Ashnil Aruba Lodge,
